

Canine Sports Complex

2011 Class Price List

Due to the rising costs of operations, there will be a slight raise in class fees for 2011. Changes are as follows:

Focus and Attention / Tricks - \$120

Starters Agility I - \$110

Starters Agility II - \$100

Pre Novice Agility - \$95

Novice Agility - \$90

Advanced Agility - \$85

Masters Agility - \$80

These changes will go into effect on March 1, 2011. The raised rates will be effective at the start of a new session that begins after March 1st, if you are mid session on March 1st your rates will not increase until the following session.

I do hope this will not be an inconvenience, but we must keep up with the costs of bringing you top notch training, as well as the continual betterment of our facility and our satellite Wilson location.

Happy New Year to all!
