

IRISH DRAUGHT HORSE SOCIETY OF CANADA

17 GREENSIDE AVENUE NEPEAN ON K2E 5X3

APPLICATION FOR CROSS-REGISTRATION

Please submit for each horse to be registered:

1. A completed **Application for Cross-Registration form** (the second page of this document).
2. The **original registration papers** from the first registry to register the horse. Original documents will be photocopied and returned.
3. A photocopy of the marking chart used in the original registration if the marking chart is not contained in the original registration document AND/OR if the horse is microchipped, a Microchip Reading Certificate.

Horses registered with the Irish Horse Register in Ireland in 2001 or later have been microchipped.

4. A photocopy of the page of **any other registration documents** showing the horse's name and registration number in that registry including the horse's Equine Canada passport if it has one.
5. A blood typing or DNA testing **certificate confirming the relationship to both parents** must be received by the Society from the testing lab before a registration certificate will be issued unless otherwise allowed under the Society's registration rules. If the horse's parentage has not been verified by DNA testing or blood typing or you are not sure, please contact the Registration Officer for assistance.
5. Unless the horse is microchipped, a set of **four photographs** showing the horse's markings clearly: left side, right side, face (close-up) and back end. These photographs will be compared to the marking chart in or with the original registration document to confirm the horse's identity so please ensure that all white markings shown on the marking chart can be seen clearly in the photographs. Digital photographs sent by email to cheryl_anderson@toldyne.com are preferred but not essential.
6. For horses being submitted for cross-recognition as Registered Irish Draught, Appendix Irish Draught or Approved Irish Draught Sport Horse, documentary proof of inspected status will be required.
7. **Cross-Registration fees.**
