Cusack winner of 2 Specialty **BEST IN SHOW** and 1 Runner up Best in Show, 7x Group 1, multi Group 2 wins and consistent winner at specialty shows, winning under both US and UK Judges. His record speaks for itself. This stunning dog takes after his father with his effortless free flowing movement, fantastic balance and type.

We are very proud that breeders in both Canada and US have seen Cusack's qualities and have had frozen semen collected from him. Keep an eye out for his progeny to hit the show ring soon in both Canada and the US.

Frozen Semen is available. Puppy & stud enquires always welcome.
