**'EKAHI GREYDOVE QUICKSILVER
(IMP USA)**

JETT's win at Sydney Royal is a wonderful milestone in this young dog's show career. Jett and his sister Nani, our 4th generation Greydove pups, were co-bred in Hawaii, and have had great show success since arriving in Australia and enduring the 30 days quarantine. Both have attained the required 75 points for their Championships before they have reached 12 months of age.

The dam of this wonderful litter is Am Ch Greydove 'Ekahi Island Gal - exported in 2004 to Hawaii. Tita is a multi Best in Show All Breeds & Specialty winner and the Top Sporting Dog for Hawaii for 2007. She is also #7 Weimaraner in America. She is the only Australian bred Weimaraner to achieve any of these wins in the United States.

JETT is sired by the Weimaraner Club of America's 2006 National Specialty Opposite Sex winner, Am Ch Nani's Honor Bound and this is Bounder's first litter. He is now being specialled by his breeder in the USA with great success.

We have now sent Jett's cousin, Greydove 'Ekahi Melody AI, to Hawaii and we look forward to breeding another outstanding Hawaiian litter.
