

Pup 'N Iron™ LLC Doggie Daycare Registration Packet

Welcome to Pup 'N Iron™ Canine Fitness & Learning Center Doggie Daycare.....

Our mission is to provide your dog with the highest quality of care in a safe, fun and stimulating environment. The purpose of our enrollment requirements and regulations is to ensure the health and safety of your dog and all our guests. Please read through the following information carefully and complete the enclosed enrollment forms.

What is the purpose of dog day care:

Socialization: Dogs are naturally social animals. Most prefer to be with others rather than be alone. The company of other dogs can help them learn how to interact positively with each other. A well supervised and fully monitored doggie day care can give them the opportunity to do that.

Exercise, Exercise, Exercise: Dogs NEED lots of exercise, usually much more than we can provide given our busy daily lifestyle. At daycare they are given the opportunity to run, jump and play, like a dog!

Eliminate destructive behaviors: When given the opportunity to release pent up energy and stress by running, jumping, playing and interacting with other people and dogs, they are less likely to have the time, energy or inclination to exhibit destructive behaviors.

Build confidence/Reduce separation anxiety: Separation anxiety is often a lack of confidence. Interacting with other dogs and people in a loving environment full of positive reinforcement can help dogs understand their “purpose.”

Your Peace of Mind: You can enjoy your day and fulfill your obligations knowing that your dog is in a positive, loving environment having fun rather than sitting home alone. You may want to trade places with him!

What makes a dog a good candidate for the Pup 'N Iron™ Daycare setting?

- 🐾 Dogs must be 4 months of age or older.
- 🐾 The dog must be non-aggressive towards humans and other dogs and cannot be protective of toys or water and must pass our pre-enrollment temperament screening*.
- 🐾 The dog must not have harmed or shown any aggressive or threatening behavior towards any person or any other dogs.
- 🐾 The dog must be in good health. A veterinarian certified health certificate certifying the following is required for admittance.
- 🐾 No illness within the last 30 days
- 🐾 Free from internal and external parasites.
- 🐾 Current on vaccinations (DHLPP within past year, Bordatella within past 6 months)
- 🐾 All dogs over 6 months must be spayed or neutered.

Our Pup 'N Iron™ Temperament Evaluation

To ensure the enjoyment and safety of all dogs, each applicant will undergo a pre-enrollment temperament evaluation. This scheduled evaluation will give us a chance to meet your dog and learn his unique personality and individual needs and determine if doggie day care is right for your dog. During the evaluation we will interact with and observe your dog as we present and set up specific, controlled situations. Please plan on allowing a minimum of 30 minutes for the evaluation. There is a \$25 non-refundable application fee to cover cost of the temperament evaluation. Upon acceptance, this fee may be applied to your initial day care reservations.

What to expect when you pick your dog up from Pup 'N Iron Doggie Day Care:

Your dog may be very tired sometimes – and probably this is a good thing! Your dog will be very excited to see you - not because he didn't have a good time, but because HE LOVES YOU. Your dog may drink a lot of water when they get home. Fresh water is always available for your dog, but sometimes dogs are having too much fun to stop and get a drink! We do our best to remind them to drink by taking them over to the dishes, but as they say, “you can lead a dog to water.....”

PUP 'N IRON DAYCARE POLICIES

Minimum Commitment - At Pup 'N Iron it is our goal to provide the absolute safest and best environment for your dog to play in. Dogs thrive together when they interact with each other regularly, have acclimated to the pack structure, and are familiar with each other's play style. Dogs that only attend sporadically are viewed as "outsiders" and the level of stress increases as does the chance of power struggles, inappropriate behavior and dog to dog altercations. Our goal is to provide a safe, stable and predictable environment for all dogs in our care. Therefore please note that **we require a minimum one-day-per-week attendance commitment.** While it is best if your dog attends on the same day(s), this is not necessary. The day of the week your dog attends can be modified as needed. **Dogs that do not attend for more than three weeks in a row, without prior notice, will be assessed an additional "trial day" fee of \$20 upon their return.**

Health and Fitness - Dogs attending daycare should be clean and free of excess debris and/or external parasites. (Bathing services are available.) Dogs should not be exhibiting any symptoms demonstrating possible illness such as coughing, sneezing, vomiting, excessive loose or bloody stools or diarrhea. Dogs exhibiting any of these symptoms will be immediately quarantined and their pet parent will be called to pick them up as soon as possible.

Toenails must be kept short to prevent injury. (Nail trims and grinding is available.)

Dogs that have been boarded at a kennel facility should remain home and out of daycare for 7-10 days.

Meals and Feeding - It is preferable that your dog not to eat while at doggie daycare. Dogs that must be fed must be removed from the group, crated or kenneled while eating, and then must be kept crated or kenneled for at least an additional hour or more to allow time for his/her food to settle. For this reason, we ask that you please feed your dog breakfast before he comes in the morning. **Lunch or midday meals will be provided only to puppies 6 months of age and younger.**

Hours, Check In and Pick Up - Day care hours are from M-F, 6:00am - 7:00pm.
All dogs must be checked in between 6:00-9:30am. All dogs must be picked up by 7:00pm.

Late Pickup Fee: Our evening activities begin promptly at 7:00pm. Dogs not picked up by that time will be assessed a late charge of \$5 per 15 minute interval.

Payment is expected when services are rendered. All outstanding balances due after thirty days are subject to additional interest charges of 1.5% per month until paid in full.

Cancellations for any reason must be made 24 hours in advance. No shows will be assessed your dog's expected day care fee.

Returned Check Fee: \$25

Schedule of Fees – 2012* - Attendance is by reservation only, honored on a first come-first served basis with preference given to dogs attending full time. All fees are due in advance. **Punch cards are non-refundable and expire 6 months from date of purchase (or first day of usage if purchased in advance.)**

TRIAL DAY - \$45.00 (\$25 Temp. Eval Fee goes toward this)

Single Day (Weekdays) - \$30 for 1st Dog \$15 for 2nd and/or additional Dog(s)/Same Family

5 Day Punch Card \$140 (\$28 per day) \$80 for 2nd dog same family
