Committee News

Happy Easter to you all. I hope you had a nice week end off training and had some family time and fun with your dogs.

The committee met on Wednesday 21st of April at 7 pm. It was a short meeting due to a few committee members couldn't attend.

Ian Rick handed in his resignation from the committee and the club due to changes in his personal life and croquet commitments. We thank Ian

for all the years he has given the club as a president, trainer, committee member.

Our website is up and running thanks to Mrs. Tracy Mitchell who has spent countless hours playing around to achieve the right format and connecting us with links so we can make this website more informative and user friendly. Its easy to find just type in www.mbodc.com

The usual bills were paid and a couple of dog S.A magazines are in the clubrooms if you wish to

read them.

We are searching for interested people wishing to be trainers, so if you are interested, please see a trainer or committee member and express your desire.

We are negotiating cheaper prices for our members with the Murray Bridge Vet Clinic. I'll keep you informed what eventuates.

Graduation News

There was No graduation this month due to two long week ends in the middle of the month.

Since I have more space this month than normal, I'll take this opportunity to advise those people who has placed their name to be involved with the demonstration team that we must start

practising and getting our routine organized so we are in good form to show off in Strathalbyn in a few months time.

There is plenty of time for any one else to join our team. We are showing the public their dog is smart and they can have fun and get enjoyment from them.

Snoop's Snippets

Snoop is getting square eyes because he has starting to watch two new programme's on TV called "Dog Squad" Channel 7 at 7.30 pm on Wednesday nights, and "Send in the Dogs". Channel 9 at 7pm on Sunday nights.

Our ground is getting a good covering of grass on it at the moment so its a great time to bring your dog along each Sun-

day and interact with other dogs and you can meet more people who love their dogs as much as you do . Your dog will like dropping , sitting and staying on the soft grass which is what we want to achieve.

Poor Jed Mitchell had a week he rather forget. Had an accident at home and found himself at the vet— getting

bandaged up. Tracy Mitchell has had to make a few visits back to the vets for more dressing. Jed is recovering slowly, hopefully he'll remember for next time!

Snoop wants to remind us that its getting colder at nights so its time to get out the coats and the thick rugs for our four legged friends.

Bits of Bone

Don't forget about our new website www.mbodc.com The information will change regularly as different events occur.

I'm a very good girl who LOVES to play.

I love long walks in the woods, riding in your ute, hunting,

camping and fishing trips, cosy winter nights lying by the fire. Candlelight dinners will have me eating out of your hand. I'll be at the front door when you get home from work, wearing only what nature gave me. Call (0409/434328) and ask for Daisy, I'll be waiting...
