Committee News

September

The newly formed committee and we would like to thank Ms Kylie Harvey for coming on board with us this year, after our A.G.M meeting in July. We met on Wednesday 18th of August in our clubrooms.

We paid T Mitchell for our

web site, and A.G.M expenses and Bridge Trophies.

We had correspondence from Jenny Walters and

Molly, SACA journal, Credit Union bank statements, a letter from M.B. Vet Clinic telling us about the new vaccinations for 3 years, Moorook Animal Shelter letter which we have given a donation of \$50.00 so they can purchase a mi-

crochip scanner, Murray land turners Inc., Dogs S.A. Club challenge and open day.

We are buying some more worm tablets for sale and due to a lack of trainers available we had to cancel training on Aug. 25th.

Our finances are very healthy - thank you, with such a small membership, a job well done.

Mrs. M. Baker and Mr. C. Scriven has had separate short holidays. Mr. A. Haywood celebrated his 50th birthday last month.

Dog Trivia

Terriers were bred with short, thick tails so they could easily be pulled from holes after retrieving rodents.

Dogs have large pupils and a wide field of vision. These attributes make them excellent at following moving objects and seeing in low light.

Christmas is quickly approaching so Snoop is asking the question - 'Who is interested in walking in the Parade this year?'

It was disappointing but, due to low numbers we had to decline the invitation from the Greyhound Association in Strathalbyn to form a Demonstration team and show them what Dog Obedience training is all about.

Quote

"In order to keep perspective of one's importance, everyone should have a dog that will worship him and a cat that will ignore him."
