Broke Ranch Geldings, Registered Mares,
Ranch & Performance Horse Prospects

www.raftera-ranch.com
Welcome!

Welcome to our 3rd Annual Horse Sale. We are pleased to be able to hold another sale this year. We have been working hard on a sale that focuses on a set of top quality horses, that range from prospects, to trail riding horses, to broke ranch horses.

As quarter horse breeders, we would like to see the consignors get rewarded for the time and careful effort they have put into their breeding & training programs. It takes years & careful selection in a breeding program to be able to produce quality colts, and months of preparation and training to bring a horse to town that's nicely started or broke.

Our consignors have done a great job of fitting their horses for the sale, which includes proper feed & nutrition, proper grooming & hoof care. You've got a great selection this year to choose from, so make sure to come up and talk to our consignors, and sales management. We're confident you'll find what your looking for. Don't miss out; we've got some good ones!

Stallion Auction

This year, there are 2 families from our local community that are facing some very serious health issues. Proceeds from this years stud fees will be donated as follows:

Kimberlee Moffatt
Kimberlee Moffatt, has been diagnosed with Autoimmune Hepatitis. She has been referred to Toronto General Hospital where she is to be placed on the Liver Transplant list. She is hoping to get some of her life back, and hoping to get better for her children, her husband, and her friends and family. Kim’s parents, have been strong supporters of our sale, both as buyers and consignors. As well they have volunteered a lot of time and offered a lot of support to our local pony club. We would like the opportunity to now support them, and do what we can to help Kim & her family.

Skylar Wozney
4 year old Skylar Wozney along with her parents Adam and Teresa Wozney are about to take there first plane ride ever. Not the destination or reason her parents pictured there first flight to be for. Skylar is going to Vancouver BC for epilepsy brain surgery.
Being only four she has endured a lot in her life. At six months of age her mother noticed she was having some sort of brief clusters of spasms, and after being admitted into the Children's hospital in Winnipeg was diagnosed with infantile spasms.
Right now she is on four different medications to help stop the seizures. All of these medications have numerous side effects some of which Skylar has experienced and is still dealing with. After trying everything they thought would work, finally the decision was made for Skylar to go to Vancouver. At this point in time we do not know how long recovery will be or how long she will have to stay in Vancouver for.
Friends and Family have opened an account at the Minnedosa Credit Union in Skylar's name to help cover medical costs.

Strathclair Rink
We will also be donating a portion of the stud fees to the Strathclair Rink. We are very appreciative to be able to use the rink facilities for our sale, and would like to make a donation to help support the rink with the maintenance and repairs of the facilities for everyone's future use!

By purchasing a stud fee at this year's sale, you are not only going to be buying a breeding to some great stallions, but you will also be helping these 2 families out in a very difficult time.
Our best wishes go out to Skylar and her family, and Kim and her family.
Our thoughts are with you all.
HES A ZIPPY JACK  5032936

“Jack” is a home-raised buckskin stallion out of one of our best broodmares (Granddaughter of Two Eyed Jack) and by Drifter Paddy (Great Grandson of Two Eyed Jack and Zippo Pine Bar). He has a disposition you can’t beat, he’s low in the hock, has a huge hip and nice head. He’s bred to have cow sense, athletic ability, and represents years of breeding quality quarter horses! His first foal crop last year did not disappoint! He sired quality, conformation, muscle, pretty heads & the majority were buckskins, palominos & duns! Some great prospects!
I’LL SMOKE YA

“Howard” is truly the all around horse and sire. He is the only stallion to win the Supreme Champion Halter, and National Rope Horse in the history of the Canadian National Quarter Horse Show. He has also sired Canadian National Champions. Shipped Semen Available. “Howard” is property of a syndication.

A good stallion we purchased from MBAR Quarter Horses in Alberta. He has eye appeal, conformation, and great disposition. His sire is a proven world class rope horse, carrying Leo and Two Eyed Jack in his bloodlines. MBAR OTOE is sure to produce foals with cow sense and agility. We've gotten 2 crops of foals off him so far, that have a wonderful disposition and are really easy to work with! He's crossed really well with some of our mares and we have some real athletes coming up!

“Barbie” is a nice, big bodied, sweetheart of a mare standing 15 hands and still growing. (Measures 15.2 at the hip) Her sire is an unshown, producing son of NCHA million dollar sire SONITAS LAST (x Peppy San). Her dam is a foundation/speed bred mare that we did ranch work on before breeding her. “Barbie” was started lightly under saddle in 2011. Selling her as a broodmare only as she has been inconsistently sound, since a slip and fall on ice in the spring of 2011. As we still have her dam and full sister, we’re offering this gal for sale. Let her breed up some handy, cowy babies for you! More information at www.CoyoteRidgeRanch.ca

“Jinx” is a real eye catching, big, strong 9 year old gelding. Approx. 15.3 HH. We purchased him earlier this spring. He was started as a 5 year old, and had 70 days riding. This spring, Jason worked him in the feedlot for 2 weeks pulling sick cattle, and moving pens. Prior to the sale, he will be going to PFRA pasture for another 3 weeks of riding fence lines, and putting on some miles. He has a lot of energy, and can go all day. Great ranch horse potential here! Guaranteed Sound.
THANK-YOU!

Thank-you to all of the buyers and consignors for your support of our sale. Thanks to all of you who have volunteered your help and your time, we couldn’t have put this sale on without you!

We look forward to seeing you another year!
