

Learn the secrets to a **successful agility wino** career with THE foremost practitioner of “Wino Agility Handling,” Chris Chapman! Staggering too much on course? Wino Agility can show you the way to avoid those

bobbles! Do you have a hard time figuring out which of the three tunnels you are seeing is real? Wino Agility can help! Not qualifying enough? Chris will show you how to cope with the frustration of not-qualifying with her patented fruit bomb technique. Finally, are you just too falling down drunk to be able to read the course map? If so, then Wino Agility is for you!!

Chris is the founder of the Wino Agility System and has tested her amazing handling system extensively with both her own dogs (Zinfandel, Merlot, Chablis, and Franzia) and with a wide variety of breeds: Wine-erangers, Bourdeauxcerons, Wine-haired Terriers, Beaujolais Griffons, Bischon Fumes, Belgian Malbecs, Carolina Plonk Hounds, German Reisling Pointers, and more! Her system will provide you with proven techniques to success—well, at least success with wine bottle openers.

Celebrity Endorsement:

“Chris’ agility system is all about something I know plenty about: **WINNING!!!!!!**”
