ADDITIONAL ENTRY INFORMATION

A team must select either Proficient or Skilled Category for the ENTIRE weekend. *(Note: As of January 2009, when entering the Skilled Category all dogs are required jump at a height 4" lower than their Proficient, Standard Division jump height which means there is no 20" jump height in Skilled.)*

Non-Jumping Classes—Veteran or Disabled Handler. Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only. The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

Measuring: Skilled dogs, dogs with permanent height cards, dogs jumping 16" in the Veteran or Junior Handlers Divisions, or dogs jumping 20/20+ do **not** need to be measured.

Once your entry is received and entered in our Agility Unscrambled trial software, you will receive an email confirmation. **Please check your confirmations carefully!** Accepted entries may be changed without charge **prior to the closing date** by emailing the Trial Secretary at scott.casino@verizon.net. Please include dog's name, NADAC #, classes entered and changes being made. Final confirmations will be sent after the closing date. Each change made **after the closing date** will be subject to a \$5 fee.
